NESTY

I was at the gym last weekend after a late night work out and no one in the men's locker room, I decided to shower there. After only ten minutes I heard someone walk in and he got in the shower stall across from me. There aren't any curtains between stalls, just dividing walls between showers. He noticed me and I turned my front toward him so everything was in clear view. He came over and bent me down to suck his dick. I took it all in and suddenly he came all over me. Then he left so I could finish my shower.

ORAL RELATIONS

I'm writing to tell you that there just aren't enough stories or letter about cunnilingus. Not just as a sex act but as a show of love between a man and his woman. So my story flows like this: Last night was our usual night of romance, baths and bed. My wife likes to prepare in advance of our oral lovemaking by bathing with scented oils and shaving and shaving her pussy real smooth.

I shower too, and soon we're in bed together and hugging. Our naked bodies relish in the feeling of skin on skin and our hands roam all over each other's bodies. But that doesn't last long. I work my way down her body, stopping momentarily at her boobs to lick and play with them. Soon, I'm down there where I began slowly licking her clit and sucking her labia and eventually starting tickling her holes and gently rubbing the spot between her pussy and asshole. She reaches a point where she had to have me stop or she would cum – too soon. I stopped and just in time. As I was sucking her clit, she moaned and said she didn't want to come yet. But all of a sudden she clenched up and attempted to close her legs.

A moment later, I was back between her legs, but this time she tasted slightly different. I really thought nothing of it and carried on licking her pussy and licking down to her asshole and tickling it with my tongue. Then again it

happened so I had to immediately stop licking because she was about to cum. When I went back to it, she tasted that little bit off, just as before.

Finally, I let her have her full orgasm and it was a big one. She's had big climaxes before, so I felt flattered I could bring to one again. After she was done cumming, I came up and started kissing her and I rubbed my dick on the opening of her pussy, and before I knew it, my cock was sliding into her wet pussy and I climaxed inside her. I fell back and we laid together, breathing hard and looking at the ceiling. Then she said something interesting. She told me that she squirted. I didn't know what to say. This was the first time she said anything like this. Then she added that she did it twice. The first time a little less than the second. So that's why she wanted me to stop licking her. She was squirting. That's why she tasted a little different.

We laughed a little and I told her I thought it was great. That she shouldn't hold back if she's going to do it again. Then we discussed how it came about and she said she couldn't tell. Only that when I was licking her

and I had a finger in her pussy, she felt it about to happen. I told her that we needed to try it again and find out how it happened, and if we did it, she should let it go. Just let me know in time to get my face out of the way. I managed to do things correctly and she squirted. I tried like hell to remember what I did.

– Alex, Santa Ana

GOTTA HAVE IT

I met up with this woman while on a business trip to Houston; a woman that I've known for about two years; apparently with an overwhelming oral fixation I've come to learn. After reacquainting ourselves over a few drinks and some dirty dancing, we were almost humping each other on the dance floor. I know she could feel just how hard I was through my pants. Soon she was getting even more friendly and she whispered she had forgotten something up in her hotel room and without a pause she grabbed my hand pulling me off the dance floor and out of the club.

After a quick elevator ride, we're in her hotel room, ripping each other's clothes down to the floor. I devoured every inch of her body. Her large boobs were firm and her nipples stood out begging to be sucked. When I got to her wet pussy, she began to grind on my face and got even more soaked. It wasn't long before I slid my hard cock smoothly and slowly all the way into her soaking wet pussy for a few long strokes. My mouth and face were already covered with her sweet nectar as we kissed and she licked my face clean. Now my cock and balls were dripping wet with her nectar, too.

She wrapped her arms around me and rolled us both over so that she was on top. She rotated her body to get into a sixty-nine position and I immediately ate her wet pussy while I caressed her beautiful ass and breasts. She proceeded to slowly tease and torture my cock and balls with her mouth, tongue, teeth and hands, all the while telling me not to swallow her juices till she told me to. She teased me till I thought I couldn't hold off any longer. Then

she would stop, letting me simmer, then start again, and again nibbling with her teeth with just the right sharpness and pressure to pleasure me but not enough to make me cum.

Meanwhile, I'm devouring her vibrating pussy with my tongue and lips, trying to tease her as much as she was teasing me. Then she decided that she was ready. She seemed to know exactly when we would both explode. When we did, she took all my cum into her mouth as she squirted into mine, and all over my face. We continued to suck until both of us were completely empty. Then she spun around, her lips and chin wet with my cum; my mouth full and whole face covered in her musky sweet pussy juice. At the same time she wrapped her very wet upper thighs and pussy around my softening cock.

Apparently, not liking that, she reached down to my cock and started rubbing it again. I got very quickly hard as a rock again as I slipped easily into her hot soaking pussy. She pounded herself up and down on my hard cock and back and forth for a while until we both came again. I came in her mouth three more times that night as she did in mine. The last time, I didn't think I had anything left until, she started sucking so very softly until she felt my cock start to stir even more. She rolled us over so my butt was in the air and I could fuck her loving mouth while eating her gushing pussy.

She slipped my now rock hard wet cock between her breasts and I fucked the wet space between

I KNOW SHE COULD FEEL HOW HARD I WAS THRU MY PANTS

them. I slid my cock and balls up to her face and she sucked on my balls and licked and gently nipped the area between my balls and asshole. Suddenly, and I don't know where she got it from, she stuck a well-lubed dildo in my ass and massaged my prostate with it as she pushed my cock back into her mouth as she sucked me off.

After that, I shot my longest and hardest jizz of the night. We spasmed together for a long five minutes. It was the dirtiest, wettest, messiest sex I've ever had. I haven't been able to get this experience out of my head and get the biggest hard on just at the thought of how incredible the sex was with her. We spent a few more days in and around the bed until the 'business trip' was over. When I returned home, I had to spend a couple days in house rest, that's how much she wore me out. Next day at the office, I received a call from her saying she had to be in Houston again in three months. I told her I did too.

GOING UP, GOING DOWN

We're newlyweds with problems already. My wife's twenty and I'm almost thirty. Before getting married we knew each other for only six months and didn't have much sex since we decided to get married early on and there would be plenty of time for it. What sex we did have was what could be called heavy petting and we had intercourse a couple times, too. But now it's six months into marriage and not once has she given me oral sex. Believe it or not we've shared all sorts of experiences together and have had sex in several interesting places and I've never complained. In fact it's been great – except for one thing...

All the times we've had sex together, not once has she been willing to go down on me. None of my past lovers has hesitated. It was just a normal part of our sex lives. And what's stranger is that she likes me going down on her. I've tried to discuss it with her, but she's unwilling and puts me off every time. In order not to frustrate myself even more, I let it go and we move on; until our next lovemaking session and I have to go through this again. I try to keep the sex fun and interesting, but for me, having her lips and mouth around my cock is just something I've got to have. I believe it's something every man wants to have, and even expects to have. For us men, that doesn't seem unreasonable. What's strange is that she likes giving hand jobs and will tease me with her hand on my crotch just about anywhere we go. But...

Since I've known her, I've never asked her to do anything abnormal, sexually, but a short BJ here or there would be nice. I don't ask her to swallow, or to spray on her face or body, and I don't push her head down to my crotch. Just a little licking and sucking would work fine for me. I've read some articles in books and on the web about it but I don't feel any of it has helped. She will not see a therapist with me, or even alone. She has no moral or religious grounds not to do it. She just doesn't like doing it. Period. Basically, she does not see it as a problem. I do love her and I don't know if it's a deal breaker but if something doesn't happen soon...

– Dustin, Reno

i once told a guy that I wanted to feel his cock inside my pussy. He told me to get on top of him. I had to confess then that I had never gone all the way before. He was surprised, and told me that he'd try to be gentle. I climbed on top of him, positioning myself so that the head of his cock was at the very opening of my love tunnel. I was starting to get scared, but he told me to just relax. He grabbed my hips and started to lower me down onto him. I wanted to scream, but instead I just gritted my teeth. He pushed his hips up, and pressed down on mine, trying to fit himself inside of me.

molly

SEEMS THAT THE OLDER I GET, THE HORNIER I GET. AND IT LOOKS LIKE I'M HORNY RIGHT NOW.

Finally I felt him slide in. I let out a cry, and he pulled me down close to him. He stayed still inside of me to let me get used to him, and then slowly started pumping in and out. With every thrust, he'd go deeper, and although it hurt, it was starting to feel good, too. He bucked his hips, and he went all the way inside of me. I could feel his balls smashed against my asshole. He told me he didn't want to cum in me this way, and he lifted me completely off of him. My tight pussy felt so stretched and sore, but I enjoyed the feeling. I quickly got on my knees and he ultimately came in my mouth.

how many times have you seen or dreamt of a girl and wish you could see her naked? Almost every day we bet. Well that's exactly how we got Natasha in front of our cameras. This self-described raunchy little hottie flashed her way into our hearts! With every little unzip and tug of her clothing, this attention craving, cock teaser showed us everything we needed to see: her tits, her ass and pussy, of course!

natasha

I MAY BE SMALL BUT I HAVE A COUPLE BIG THINGS THAT YOU MAY LIKE. LIKE THESE.

But it wasn't just the fact that she was so willing to shed her clothes that make her so exciting, it was her sexuality charged personality that really pushed her over the edge with us. Plus the fact that she said she'd fuck everyone in the crew and house after we were done. (Just kidding, she said) That puts her at the top of our new favorites list. After the shoot, she told us to express her appreciation to all that image her without clothes. Thank heaven for willing, sexy little hotties!

THE MAN CAVE

CRUISIN' TO
THE BIG EASY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Rose is my wife's friend who's taken a couple gap years and now is headed back to college. Her boyfriend Neal, is a little bit out there. She called from the Big Easy to tell my wife about their drive down. Unbeknownst to Rose, my wife put the call on speaker and we listened as she recounted part of the drive – word for word, it seems. She's in her final year at Tulane. She said Neal was sitting in the passenger's seat with his pants off and on the floor around his feet as they were doing seventy headed south along I-55. And so she starts...

I was mildly shocked and amused, and having slight difficulty concentrating on my driving. My left hand held the steering wheel firmly and my right hand was playing with the stick-

shift. His, that is. We have a fun relationship because we're both fun people.

"This is crazy." I said, firmly gripping the base of his penis and tugging on it. "What if we get pulled over?"

"Don't speed or anything and we won't." Neal said. My hand slid up his shaft and I curled my fingers around the head. I felt a little drop of wetness against my palm. I squeezed, trying to make that happen again. I looked in the rearview mirror and saw a car approaching in the next lane.

"Darling..." I said uneasily.

"Don't worry about the cars," he said. "Just let me know if you see a truck." He punctuated the sentence with a grunt, and I felt a little more wetness. I wiped it away with my index finger, then raised the finger to my lips and licked it quite deliberately. Watching me, he moaned.

I puckered my lips around my finger and slowly sucked it in and slid it out of my mouth. I did this a few times, and lapped it lasciviously, while he watched with wide eyes.

"This is what I want to do to your cock," I told him. I laughed, then grabbed him again and vigorously renewed my massaging. A car passed us on the left, then suddenly slowed down so that we caught up. I took a quick glance. The man in the car was gaping at us. I broke into an embarrassed laugh, sped up and changed lanes to leave the car behind.

"That guy saw us," I remarked.

"I don't care," he said. "Do you?"

"Oh, you dirty boy!" I squealed. I stroked it with my fingers.

"Thank you!" He reached down and retrieved his shirt. "I guess I really should put my clothes back on, though."

"Yes, do that." I let go of him and put my hand on the steering wheel as he buttoned his shirt but left his pants on the floor. His long cock pointed up from his lap. "Quite nice," I said, reaching over and taking hold of it again.

I caressed it for a few moments while he writhed around in his seat and made little noises. Another car was approaching. Hastily, I snatched my hand away.

When the car had passed, we returned to our activity, only for it to be interrupted again a moment later. I giggled, seeing him trying to cover himself. A few more cars passed, then the road was clear. I pushed his hand away and discovered that his cock had softened a bit while the road was busy. "Oops!" I said, jiggling it.

His long cock pointed up from his lap. "Quite nice." I said, reaching over and taking hold of it again. I caressed it for a few moments while he writhed...

"This won't do. I want it hard!" I said

"Well, m'love, you know how to accomplish that," he replied.

"Yes, I do," I said, proceeding. It didn't take but a few squeezes to return my plaything to its former state. A few more and he was once again squirming in his seat. "Feel good?" I asked.

"Too good," he said slowly. "Stop. I'm going to come."

"Stop? You don't want to come?" I asked him.

"Well, I do, but that wouldn't be fair."

"Oh, no, baby, yes, it would! I want you to come!"

"No, because I can't do anything for you!" he said.

"Yes you can. You can come so I can lick it off my fingers."

I pulled his cock rhythmically. He grunted loudly in response. "Oh, baby, your cock is so warm and hard. I want you to come so I can taste you. I can feel the blood just throbbing in it!"

"And the cum... building up..." he added, trying to keep his voice steady. His breath was getting fast and heavy.

"Most certainly." I raised my hand to my face and sniffed it. "And my hand smells like your cock... it smells so good... I just want to bury my face in it..." I dropped my hand back into his lap and seized him again. I squeezed his balls and tickled his cock before once again putting my hand around it and jerking it. "Cum on, baby. Cum on" I urged. "Don't hold back."

"Oh, God..." he moaned.

"Don't keep it in." I said. An uncontrollable sound spilled from his throat, and I made a soft sound in response. I rubbed faster in encouragement.

"Well, give it to me now! Pour it out! Just come!"

"Ohhhhh... aaaaahhh, baby... it's good... oh, feels so good... I'm gonna cum, gonna cum....gonna...AHHH!"

His hips jerked upward from the seat, and his rapid breathing slid into a long sigh. I turned my head just in time to see hot, milk-white semen spill from his cock onto my hand. It ran down

my fingers and off my wrist and dripped into his crotch. The last squirt landed on his belly. I continued with my driving as he slumped down in his seat trying to calm down.

I'm so glad you enjoyed that. I did, too...very much." I said.

"Oh, not as much as I did!"

"Maybe not quite as much as that, but still very much."

"Oh, good, baby...I felt so selfish."

"...my hand smells like your cock... it smells so good... I just want to bury my face in it..." I dropped my hand back into his lap and seized him again.

"It was a good time to be a little selfish."

"But I want you to feel good too, baby." he said.

"It made me feel good to make you feel good. Feeling good is what we're all about." I reached over and stroked his neck.

"Besides, I'll get mine later." I ruffled his hair. "Won't I?" I added coyly. We drove on for three more hours because I couldn't take it anymore. I pulled over at Shreveport and we got a room because I wanted mine now...

Rose suddenly stopped talking when she heard me giggle. "Who's that?" she asked. We confessed that we were both listening and she started cussing us out. A minute later, she settled down and we laughed for the next ten minutes.

my name is Kim and one night I'm sitting on a chair in front of a wall length mirror and I'm enjoying being the center of sexual attention for my bff and her boyfriend. I'm relishing being completely naked apart from a pair of stiletto heels and some expensive perfume with my legs wide open. My girlfriend Sydney is watching with rapt attention, as I enjoy her man Phillip licking and teasing my bald pussy lips as I tease my erect nipples.

Kimberly

I LOVE EXPLORING MY NEWFOUND SEXUALITY WITH BOTH MEN AND WOMEN.

Phillip told me I'm a very sexy lady with a voracious sexual appetite, which I must admit I made full use of when I visited them last time. We had a sizzling threeway and have had a few ever since then. I recently discovered, with a little prompting from my bff, that I was bisexual, though I didn't need a great deal of prompting. For a year or so, I had been really anxious to fuck a female, and Sydney was the perfect way to get into women. Thank you, girl!

When these girls are bored and without any men around to entertain them, gorgeous and resourceful Alaina and Alison enjoy coming up with satisfying ways of entertaining themselves. They discovered that there is really no better way to kill time than to see who can cum the most, and so they while away hours attacking each other's pussy with fingers, tongue and toys. Today Alaina surprised Alison by presenting her a fresh-shaved pussy that is lotioned smooth and silky.

alaina & alison

WANT TO SEE THESE TWO GET IT ON? WE DO. YOU DO. THE WHOLE WORLD DOES!

Alison was so excited by the new mons that she kissed candy crazily on her lips and worked her way down to Alaina's sweet pussy. Then Alison licked Alaina's pussy lips before filling her love box full of tongue and fingers, that she enjoyed with every thrust. Then it was Alaina's turn and Alison opened her privates until her thighs quaked in a finger-induced climax. This went on all day and finally, exhausted, the two fell asleep on the sofa in each other's arms. Seriously, who needs boys?

PUSSY LAPPING 101

*She was only being supportive...
how could she know it would lead to lust?*

The event was listed as a debate. Two of the college's best and brightest—who happened to be one male and one female—would be arguing a political proposition in Adams Hall at 1 PM. It didn't sound like the most fascinating event of the year, but it was a grey, dreary, chilly Saturday, hardly the best time for outdoor activities, none of my friends was up for doing anything, and I was too restless to stay in. So I decided to go to the debate.

The guy who was debating didn't play fair. He kept bringing both personal and sexist issues into his arguments, and pretty quickly it became apparent that he had Sharon, the girl, unnerved. She was losing her train of thought and even losing her composure. He attacked her viciously, and she lost more ground. The more he smelled blood, the more savage his attacks grew, till finally the debate had degenerated into free-for-all name-calling. It was the nastiest thing I had ever seen.

From the murmurings around me, it seemed a lot of the girls in the audience were disgusted with Sharon, rather than sympathetic. They felt she had given up too easily, was letting him take control, was not fighting back the way she ought have. But how could she? I thought. In the face of such a vicious attack, all but the strongest would easily lose their composure. I was only surprised no one in an official capacity had stepped in to halt the bloodbath.

When the debate ended...a lopsided victory for the guy, I sought out Sharon to offer her my sympathy. It was clear from the reactions around me that most of the girls in the crowd weren't sympathetic to Sharon. And I knew she could use the support.

She didn't know me at all, but I instinctively put my arms around her in sympathy and comfort when I went up to her after the debate. When I did, she broke down in a torrent of tears, catching me off-guard. I held her, stroked her back, comforted her, then suggested we get away from the thinning crowd, out of sight of her tormentor, away from the scene of the crime. "I'll buy you a nice cup of tea," I offered. "Maybe some lunch, if you haven't eaten yet."

"I just want to go home," Sharon sobbed, "but I'd like the company if you felt like coming with me."

"Home" turned out to be off-campus housing just a few blocks away. I walked her there, picking up a couple of blueberry muffins and a couple of cranberry scones at a bakery we passed along the way. At Sharon's little apartment, we sat on the daybed and talked about college. She had a scone; I ate a muffin. She made some herbal tea.

Unfortunately, at one point I offered her my sympathy about the debate again, unleashing a fresh flood of tears. Once again, I offered my arms around her as a comfort. Once again, she sobbed onto my shoulder. But this time, as her ragged sobs began to

abate, I became aware that her upper body was pressed against mine even harder than before, and then her breathing, which was beginning to even out, had started to grow deeper and more passionate.

Sharon was showing every sign of being turned on!

I had never had a girl show any interest in me sexually before, and I had never felt the stirrings of sexual desire for another girl myself, either, but I'm not so naïve that I didn't see what was happening. My first reaction was astonishment, followed by feeling flattered, and then by curiosity—what would it be like to make love with another girl? Finally, desire entered into the picture. As I imagined myself with my body entwined with that of another girl, her tongue perhaps licking at my pussy, I grew agitated in a needful way, my pussy pulsating and fluttering.

When Sharon pulled away from me, her cheeks were flushed and her eyes were sparkling. She looked into my eyes, then dropped her gaze in embarrassment. I raised her face and looked directly into her eyes. "It's all right," I whispered softly. "I know."

"You do?"

"You want...you want to...you want me," I finished finally. There. I'd said it for her.

"Yes. Yes, I do. But I didn't know if you...if you..."

"I never have. I'd like to try. I'd like to with you."

Sharon's hands were soft and gentle despite their obvious eagerness as she hastily unfastened my clothing and stripped it from me, then removed her own clothes, and drew me down flat on the daybed. She covered me with kisses, trailing her way from my lips down.

She puckered her lips and softly brushed my receptive skin with darting kisses and quick tongue-flicks, covering every inch from my lips, down my chin and neck, across the top of my chest, down to my nipples. At my right nipple, she flicked her tongue tauntingly across my rose-beige nub, stiffening it into a little finger of want. Swirling her tongue around the wood-hard promontory, she left a glistening sheen of saliva on my nip, then blew on the moistened organ and left me tingling at the feel of the airstream titillating my peak.

Moving over to my left nipple, she kissed it, and I expected her to repeat the process, but instead she

grasped it lightly between her teeth. She began scraping upward with cautious teeth, tantalizing my nip with her scraping teasing. When she had both nipples in a state of high excitement, my pussy responded and began oozing love-lube rapidly. I felt all the muscles in my body growing tense, especially in my thighs.

My ass began undulating on the bed, moving as if with a will of its own. My heat had soared to the point that I could no longer hold still on that bed, and my ass began bouncing up from the bed. Each upward thrust made my pussy that much hotter, till finally I choked out the words, "Touch me. Touch me there."

Sharon smiled knowingly, but she didn't accede to my wishes right away. She did, however, begin to progress toward my pussy, her mouth leaving my nipples and making its way down the expanse of my lust-tensed, flat belly, farther and farther, till at last she'd reached the outskirts of my pussy-bush.

When Sharon's lips were lost in the tangled thicket of wiry pubes, her tongue snaked out again, and she began to lick my skin through the jungle of hairs. Then she started nibbling, taking love nips till she was right over my labes. She nibbled my labes and teasingly nipped at them. I was so hot, I couldn't stand it! I needed her to do something bolder, something less teasing and more satisfying. I let out a groan of pure frustration. Sharon got the message.

With a knowing chuckle, she thrust her tongue out and speared between my lust-swollen labia, making contact with my honeyed inner slit. My hips lurched upward and I really groaned long and loud when her tongue swiped up and down my juice-slickened slot and came oh-so-near to my clit without quite touching it.

"Lick it! Lick my clit!" I groaned, going out of my head with total frustrated need.

Sharon burrowed into my slit and her tongue waggled its way to my passion peak. She made contact with the very tip, and she quickly began vibrating her tonguetip back and forth across the tip of my clit, brushing all the nerve endings. Suddenly on fire, I flopped around on the bed like a landed marlin. My body was totally out of control. I bucked and heaved as I drove toward a much-needed orgasm.

But Sharon had other thoughts. "Why don't you do something for me for a while?" she asked. "There's

no rush to finish.”

I was in every rush to finish. But I could see her point. She might have been concerned, too, that, since I'd never done another girl before, I might leave her high and dry...if “dry” is the right word here! Once my passions had been satisfied, I might go cold on her. I couldn't blame her.

And it's certainly true that I was a little uneasy when suddenly confronted with the point at which I was expected to do something for Sharon. I wouldn't really leave her hanging...but could I actually put my mouth...there? I compromised at first, offering her a finger. Touching her thigh, I traced little patterns on her smooth, firm skin for a minute or two while I got myself used to the idea of touching another woman's pussy. Then I slid my way cautiously up to her bush. I could feel the heat emanating from her overwrought slit as I parted her thick, lush labes and slid a hesitant finger into the moist heat of her sloppy slit.

But it felt like old familiar ground. The inside of her slit felt like the inside of my slit. Her clit felt very much like mine. Stroking it, I found, was not that different from stroking my own except that I didn't get the corresponding tingles in response. I ran my finger around her exposed passion peak and enjoyed the way her body twisted and jerked and humped and writhed in reply.

Hmmm...maybe going down on her wouldn't be as challenging as I had thought. But I wasn't quite ready yet. I fingered her clit a little longer, loving the sense of power I felt as her body contorted and writhed under my actions. Then, leaving my hand on her passion-soaked pussy, I shifted my body so my mouth was next to her breast. And I began to suck.

As my finger twiddled her clit, my tongue echoed its motions, working over her nipple, and my mouth sucked. And sucked. At last, with no prompting from Sharon, I felt ready to close in on her clit with my mouth. Abandoning her full, lush breasts to travel south, I tongued my way down her quivering belly, through her richly soaked bush, and into her slit.

Taking a deep breath, I made contact with her clit. Her juices were all around my tongue. Her drenched clit was laden with her womanly outpouring. And I tasted pussy-juice for the first time. It was acrid and tangy and rich...and, if it didn't turn me on instantly, like the taste of a guy's cum, neither did it turn me off or gross me out. Deliberately I scooped

up another tongue-ful of the stuff. And found that the taste was beginning to grow on me.

Then I squirmed around so my body was on top of Sharon's and my pussy was over her face. Burying my own face in her richly fragrant muff, I thrust my tongue back onto her clit while needfully

grinding my pussy down onto Sharon's face. I could feel my juices leaking from my quivering hole and coating Sharon's face; her juices drenched my nose and cheeks and chin and lips as well.

We bucked against each other like a pair of rodeo horses in tandem, our bodies writhing like eels. I increased the delight for Sharon by thrusting three fingers up inside her clenching tunnel, driving them in and out and fucking her deep and hard. She began to moan, and I knew she was close to orgasm.

“Yes! Yes! Yes!” I urged her, mumbling into her slit as I continued tonguing her. Soon my Yess were merely grunted Unghs and Uhs, and then Sharon was grunting too as she strove hard to reach that peak she was almost in reach of.

I got there first. I surprised myself. I was so focused on getting Sharon off, I didn't even stop to think of my own climax, and when it hit me, it startled me. My body peaked, shuddering into satisfaction till my toes curled. I screamed a little. Then Sharon screeched, and I realized she was cresting too.

When we had both begun breathing normally again, and I knew the storm of climax was past for both of us, I squirmed around again and lay facing Sharon. We put our arms around each other and kissed each other as we held each other. The taste of my juices on her lips intrigued me. With my new-found appreciation for the taste of pussy-juice, I licked her face innocent of any hint of my outpouring, and she giggled and did the same for me.

The licking grew sensual, and soon we were off on another round of pussy-lapping, our bodies heaving as we both grew caught up in the throes of passion. I remember thinking, Now, here's something I didn't expect to learn in college—the joys of pussy-lapping. Then I was so caught up in sensations that I couldn't form any more coherent thoughts.

And to think, if there'd been anything more interesting to do on that day, I wouldn't have gone to the debate at all. Life's funny... and pussy-lapping is delightful.
